## ABOUT

Hippie Organics® is a grower of organic and NON GMO fresh fruits and vegetables. We use original artwork to convey our love of nature, healthy living, outdoor adventure, and planet conservation.

## CONCEPT

Hippie Organics® was developed with three key concepts in mind: creativity, fun, and healthy living. We created a brand that reflects these ideas with unique artwork and labeling concepts that everyone can appreciate. We focus on having a label that is not just another piece of corporate branding, but rather a unique piece of art that every consumer can enjoy.

## CERTIFICATIONS

Hippie Organics® product is certified USDA organic and verified NON GMO.

## MISSION

Hippie Organics® mission is to inspire creativity at every level of the food chain; from the farm to the consumer. We believe that creativity is the heart of innovation. We foster forward thinking and believe that this will enable us to provide our customers with the highest quality, organically grown produce all the while respecting our planet.
